Dear Parent:

Florida state law requires that schools notify parents/guardians when a teacher is assigned teaching duties in a class dealing with subject matter that is outside the field in which the teacher is certified (Out of Field).

The following teacher Todd Lucas meets this criteria as indicated:

OUT OF FIELD	MATH 5-9
--------------	----------

This teacher is currently taking appropriate steps to become In-Field. Based on a review of this teacher’s educational background, I believe that he is qualified to successfully deliver instructional services to your child.

Please feel free to contact the school if you any questions.

Sincerely,

Mrs. Robin M. Valentino  
Director
