Florida Association of State and Federal Education Program Administrators- Brian Schultz Student Scholarship Application

About Brian Schultz

Brian Schultz was a caring friend, dedicated colleague, and innovative educational leader in Pasco County and throughout FASFEPA. He is remembered for his leadership in technology and STEM education, his sense of humor, his dedication to students, his exceptional problem-solving abilities, and his commitment to expanding educational opportunities for all learners. Through his work in Pasco County Schools, Brian helped advance STEM programs and promote equitable access to innovative learning experiences, ensuring that students, including those in Title I schools, had opportunities to explore and succeed in STEM fields.

To honor Brian's legacy and his commitment to expanding access to high-quality STEM education, FASFEPA proudly offers the Brian Schultz STEM Career Student Scholarship to support students pursuing postsecondary education and careers in STEM-related fields.
