Dear Parent:

Florida state law requires that schools notify parents/guardians when a teacher is assigned teaching duties in a class dealing with subject matter that is outside the field in which the teacher is certified (Out of Field).

The following teacher Kevin Freeman meets this criteria as indicated:

OUT OF FIELD	Middle Grades Science, Reading K-12, English 6-12
--------------	---

This teacher is currently taking appropriate steps to become In-Field. Based on a review of this teacher's educational background, I believe that he/she is qualified to successfully deliver instructional services to your child.

Please feel free to contact the school if you have any questions.

Sincerely,

  
Mrs. Robin M. Valentino  
Director
