

What is Title I

Title I is the largest federal assistance program for our nation's schools.

- ⇒ Goal: A higher quality of education for every child.
- ⇒ Alee Academy is a Title I school. Qualification is based upon the number of eligible families receiving SNAP, TANF, and children experiencing homelessness, identified migrant youth, foster children, and those eligible for Medicaid.
- ⇒ Sixty-six percent of Alee's students are identified as eligible to receive free meals without having to submit a school meal application.
- ⇒ Alee Academy is a school-wide Title I school and all students benefit from the Title I funds.
- ⇒ Funding: Federal dollars are allocated to the states, then to the individual school districts, and ultimately to schools that qualify.
- ⇒ Title I funding is used for teacher/teacher assistant salaries, family engagement events and technology.

2020-2021

ALEE ACADEMY

Mission Statement:

Alee believes that all students can achieve excellence in a positive and challenging educational environment that stimulates

A+ their interest, channels their energies, and develops their abilities. Recognizing the individual strengths and intrinsic worth of all students, the staff will provide specific skill development opportunities for all students to increase self-confidence and achieve self-discipline. The staff of Alee believes that “If you treat someone the way he is, he will remain as he is. If you treat someone the way he could be and ought to be, he will become what he could be and ought to be.”

About us:

The purpose of Alee Academy is to provide at-risk and former dropout students the opportunity to complete their high school course work, develop vocational skills, gain employment, and earn a high school diploma. Credit recovery and the Performance Based Diploma Option program are the two opportunities afforded through a non-traditional learning environment.

Parent Involvement:

Parents play an important role in supporting their child’s education. Alee Academy Charter High School’s faculty and staff will encourage parents to be actively involved in their child’s education through the following:

- ◆ Serve on the parent advisory council to collaborate on school-based decisions
- ◆ Attend flexible parent meetings
- ◆ Attend on campus events such as Family Nights
- ◆ Opportunities for learning at home
- ◆ Opportunities for collaboration with the community
- ◆ Volunteer on campus and for other school functions
- ◆ Be notified of the student’s progress
- ◆ Timely notice when student has been assigned or been taught for four or more weeks by a teacher not highly qualified

Business Partnerships:

Alee Academy seeks assistance from businesses in the community to positively influence the success of teaching and learning in our school. If you are interested in becoming a business partner and/or you would like more information, please contact Robin Valentino, Principal at ValentinoR@aleeacademy.org.
